

## Year 2 Autumn Term 1 2022

### Welcome to Wonderland

### What's down the rabbit hole?

#### Science

- Healthy Eating
- Sorting and classifying materials
- Properties of materials
- Changing the shapes of materials
- The benefits of exercise on our bodies

#### Design & Technology

- Plan a party
- Design a menu of healthy foods for a party
- Design and make a hat for a Mad Hatter's tea party.

#### Religious Education

- What do Christians believe about God?
- Why and how do Christians and Jews worship God?

#### Maths

- Understanding the value of each digit in numbers – Place Value
- Addition and subtraction skills
- Counting on in 2s, 5s and 10s

#### English – Reading Focus

- Vocabulary, inference, prediction, explanation, retrieval and sequencing skills within reading

#### English – Reading Focus

- Designing menus
- Descriptive writing
- Character descriptions
- Sentence structure and use of conjunctions to extend them further.

#### Physical Education –

#### Mondays and Wednesday

- Hockey
- Tag Rugby

#### Stunning Start

Our Stunning Start will be an exploration in the school grounds.

#### Fabulous Finish

Our Fabulous Finish will be a Mad Hatter's tea party in the school hall in the last week of term.

#### Learning Skills – Learning Together

I can recognise when a classmate needs help when I am working in groups

I can make suggestions when working in a group or playing

I can use a variety of phrases to promote cooperation in the group "please, thank you, excuse me, can I?"

#### Art

- Printing/sketching

#### Music

Exploring simple patterns

How does music help us to make friends?

#### Outdoor Learning

- What vegetables can we grow within the school grounds?
- How could we create Wonderland – how could we create it outside?

#### Ways that you can help your child

- Please hear your child read as much as possible and read to them too!
- Play mathematical games and have mathematical discussions during everyday activities.
- Help your child to complete their weekly homework.
- Help your child to learn their spellings for this half term.

#### Computing

Coding

#### Geography

Where does your food come from?
