

Mathematics

We will be looking at partitioning numbers (splitting into parts). We will be using the language of 'more than', 'fewer than' and 'an equal number' to describe how many objects there are in each set.

How can I help my child?

Continue to use opportunities to count and identify numbers on walks and around the home.
Play board games using a die to practise counting on and identifying numbers on a die.

Personal Social Emotional Development

Learning skills – Think, Think, Think.

We will working on using our next steps to make us better learners.

PHSE – citizenship discussion based on how to look after the world around us.

How can I help my child?

Talk with your child about what they are good at and what things they need help with.

Physical Development

This term we are focusing on looking after our environment.

In PE we are focusing on small team games.

Pencil grip and letter formation

PE days – Wednesday and Thursday

How can I help my Child?

Encourage your child to practise forming their letters at home.

Communication and Language

We will be using show and tell and role play to develop children's vocabulary, questioning skills and understanding.

How can I help my child?

Ask your child to explain their understanding by asking them 'how' and 'why' questions and encourage them to expand on their answers.

EARLY YEARS:

How does your garden grow?

Understanding the World

We will be growing plants and vegetables in our outside area and finding out the British wildlife that might come into our gardens.

How can I help my child?

Try to grow some cress seeds. Talk to your child about how we can look after the environment.

Literacy

We will be exploring the different non-fiction books about garden animals.

We will be reading a variety of books linked to gardens to include traditional tales such as 'Jack and the Beanstalk', 'The Enormous Turnip'.

How can I help my child?

Encourage your child to write about their experiences and what they like. Please continue to read with your child and record this in their diaries.

Stunning Start – growing Jac's 'magic' beans

Fabulous Finish – class trip to wildlife centre.

More information to follow

Expressive Arts and Design

We will be drawing our own versions of sunflowers by Vincent Van Gogh and trying lots of observational drawing of plants and vegetables.

How can I help my child?

Explore different media such as paint, playdough or junk modelling to create your own gardens or drawing of plants.

Please remember to add pictures and observations to Tapestry as we love to see their learning outside of school!
