Dear Parents and Carers

SATs week is just around the corner and all of the children have worked impressively in preparation for the national tests.

Here are the final details you need to know about the SATs.

The tests will mainly be administered in our classroom or the year 5 classroom and will be held under test conditions. This means that the children will not be able to discuss or share their learning with each other. We have additional adults on hand to read questions to individuals where appropriate, and to provide support and encouragement. We have practised being in these conditions to ensure the children feel comfortable and are able to focus. Any assistance given follows strict government guidelines.

### Revision Tips

- ✓ Short periods of 10–15 minutes at a time are ideal.
- ✓ Use 'Post it Notes' and/or revision cards for key words/concepts to help the memory.
- ✓ Ask your child to explain how/why do you..? It helps their understanding.

### SATs week – how to prepare your child

- Ensure that they get a full-night's sleep.
- Make sure that they have breakfast.
- Arrive at school in good time with a water bottle.
- Check the test timetable so your child knows the tests they will be taking.
- Make sure they have time to relax and do things they enjoy in their spare time e.g. play football, go for a walk.

### What happens if my child is ill?

- Please keep them tucked up in bed until they are better.
- If they recover within 5 school days of the test they miss, they can still take it when they return.
- If they take longer to recover they will be given no SAT level for any subjects they miss, but they will still be given teacher assessments.

### Breakfast and Extra snacks

During SATs week (Monday - Thursday), Rumblin Tums have kindly offered to provide bacon, sausage or vegetarian rolls for breakfast, which will be delivered to school each day of SATS. The children will be asked to choose their option for the week and will not be able to change once orders have gone in. If children do not want or are not able to have these we will provide toast. Gluten free options will be available.

The children can come into school from 8.15am when breakfast will be provided. **Please return the slip below.**

## **Friday 16<sup>th</sup> May - Special lunch**

This year we would like to hold a special lunch for the children at the completion of SATS in celebration of their hard work. This will be during the lunchtime of Friday 16th May. On this day you will not need to send your child into school with a packed lunch. Beef burgers or sausages (with your child's preferred sauce!) will be provided for the pupils, as well as fruit squash, crisps and fruit. Please indicate your permission for this on the attached form and state if your child will require a vegetarian or gluten free option.

Thank you for your continued support. The children are working really hard and we have no doubt this will be an opportunity for them to shine and be proud of their learning gained over the years.

If you have any questions do not hesitate to contact us via the school office or speak to us at the end of the day at collection.

Thank you as always for your support.

Yours sincerely,

Mrs Osborne
