

Stunning Start

A creative day of crafts and activities based on the Romans, Anglo-Saxons and the Vikings.

Fabulous Finish

Thursday 16th December
Romans dress up Day and Dance

Maths

We will be learning addition and subtraction using the column method. Then we will be moving onto exploring methods for length and perimeter.

Continue to learn times tables up to 12x12.

English

Our focus texts this term will be Anglo-Saxon Boy and Beowulf.

We will be using drama to unpick how the stories progress and the characterisation. Information texts will also be used to enhance reading and writing skills.

Geography

The children will be locating countries in Europe and the United Kingdom using maps of different scales to investigate the journeys of historical invaders.

Year 4 Autumn 2 2021

INVASION!

Why Do We Speak English at School?

History

Our main learning focus for this experience is History. Through studying key events and dates from the Roman, Anglo-Saxon and Viking times we will explore how language has developed in England through migration.

Art and Design Technology

The children will research the use of clay pots in different historical periods and then design and make their own.

We will also be designing a land boat and testing the sails' effectiveness

RE

Hinduism including Hindu Gods, celebrations and pilgrimages.
The Christmas story.

PE

Swimming will continue on Thursday mornings.
On Friday mornings our PE will be dance.

Learning Skills

It's Up To Me

This helps to build independence skills and taking responsibility for themselves and others.

French

How to present ourselves for example answering how we feel.

Outdoor Learning

The main learning focus will be how the Romans, Anglo-Saxons and Vikings used to live and their craftsmanship.

Please ensure your child brings in their outdoor learning clothing every Friday to put over their PE kit
