

# Could you help 'Grow Great Minds'?

Do you care about your local school and want to help it grow?  
You could become a [Baldwins Hill Primary School](#) Governor.  
We are looking for volunteers to join our team.

## Why be a Governor?

- Support your community school
- Make a difference: be involved in strategic decisions
- Develop your skills in management and leadership
- Support improvements to school leadership, curriculum, learning environment and Special Educational Needs
- Develop Social Value and CPD for your own career
- Your employer may grant volunteering leave to cover these duties

## What does a Governor do?

- Help develop and support the school improvement plan
- Work closely and be involved in discussion with leaders to plan, deliver and review improvement plans
- Ensure school policies support our school community
- Help set vision, aims and objectives for our school
- Attend at least 4 meetings per year and 1 school visit per term

## What are we looking for?

Passionate people from across our local community who can commit to be involved for at least 12 months?  
No experience necessary: full, free training is provided
