

2026-7 Condensed	Autumn	Spring	Summer
Year 1&2	Using computers 2	Programming: Bee-Bots	Data handling: Introduction to data
Year 3&4	Programming: Scratch	Connecting devices	Computing systems and networks: Connecting networks
Year 5	Programming: BBC Micro:bit	Computing systems: Websites, search and storage	Data handling: Exploring spreadsheets
Year 6	Programming: Exploring python	Computing systems and networks: Understanding hardware, storage and security	Creating media: Creating a multimedia project

2027-8 Condensed	Autumn	Spring	Summer
Year 1&2	Computer Systems: Using computers 1	Programming: MakeCode	Creating media: Digital designers 3
Year 3&4	Programming 1: Further coding with Scratch	Creating media: Creating digital images	Data handling: Braching databases
Year 5	Programming: BBC Micro:bit	Computing systems and networks: Understanding hardware, storage and security	Data handling: Exploring spreadsheets
Year 6	Programming: Exploring python	Computing systems and networks: Understanding hardware, storage and security	Creating media: Creating a multimedia project

2028-9 Condensed	Autumn 1	Spring 1	Summer 2
Year 1&2	Using computers 2	Programming: Bee-Bots	Data handling: Introduction to data
Year 3&4	Programming: Scratch	Connecting devices	Computing systems and networks: Connecting networks
Year 5&6	Programming: Exploring python	Computing systems: Websites, search and storage	Creating media: Creating a multimedia project
